

A New Look at Stewardship, **Committee Update**

Your Stewardship committee has taken a break the last few weeks due to time away, enjoying time with family and simply needing to recharge after an extensive training period.

The last session of the CTK leadership mini-series was held on June 22. Those who were invited to attend the series will receive a survey after Pastor Tia returns from vacation. She is the “owner” of the survey that was created days before leaving and while she said she was okay with sending it, Melinda decided Pastor Tia needed a true break from her many commitments to CTK. If you were invited to attend the mini-series, please look for the online survey in your email inbox mid-August.

With training behind us, we will meet monthly on the second Monday of the month. On Aug 9th your Stewardship committee will resume making plans to share our learnings with the congregation. Our congregation putting into action Stewardship365 concepts will result in a healthy flow of the Holy Cycle of Blessings and CTK becoming more relevant to our community. We will also be equipped with strategies to build partnerships with our sister churches and develop a more sustainable ELCA presence in the Tri-City area.

Your Stewardship Committee

Melinda Kufeld (Chair), Kris Adams, Cam Bauer, Alan Claassen, Linda Paschal, Pr. Pelz, and Debbie Pollak
